

# LeasePilot

draft, revise, and  
abstract **faster.**

## DOCUMENT GENERATION

Generate a draft in minutes,  
using your own forms and language.

## TEXT-EDITING INTERFACE

Make changes to your lease  
just like you're working in Word.

## CLAUSEBOOK

Organize your lease templates,  
building language and fall back language  
all in one place

## REVISION MANAGEMENT

Context-aware automation ensures  
changes are tracked  
through the entire lease.

## INTERGRATIONS

Integrate seamlessly with  
MRI, VTS  
...and other CRE software.

# How LeasePilot can help you.

*A solution that benefits everyone...*

## LEASING ATTORNEY

Double your drafting productivity.  
Draft 10 leases in the time it  
took you to do 5.

## GENERAL COUNSEL

Institutionalize core business processes  
so when people move on,  
critical information is still there.

## DIRECTOR OF LEASING

Get leases in tenants' hands  
within 24 hours of LOI.  
Cut LOI to signed lease cycle in half.

## OPERATIONS

Streamline your business  
and accelerate time to revenue
